## 2025 Life Givers Banquet

# ABOUT OUR EVENT

On September 6th, at 6:00 pm, Her Care Clinic is celebrating two years of serving women and babies, at our 2<sup>nd</sup> annual Life Givers Banquet, (Atlanta Road Alliance Church) and we would like you to be there! As part of the evening program, you will hear the stories of women we have served and see a live ultrasound.

Her Care Clinic offers a safe, loving environment for women. We provide free services including pregnancy tests, ultrasounds, STI testing, educational courses, and material assistance through the “Learn to Earn” program. Our well-trained staff and volunteers are caring people who listen and empower women to make life affirming decisions. We are entirely dependent on the generosity of donors to serve the women and families in our community at no cost.

# LIFE GIVER BANQUET GOALS

Increase our communities' awareness of what we have to offer and what we have provided to women who find themselves with an unplanned pregnancy.

Receive necessary financial support of \$50,000 in order to meet our current annual budget.

Enlist consistent monthly sponsors that will enable us to hire a nurse practitioner and offer more comprehensive services to women and children, such as breast exams and annual pap smears. This is contingent upon securing the necessary financial support to achieve these goals.

Your support can begin with a table sponsorship at our banquet. Sponsorships are available at \$1,000, \$500, and \$300. Our desire is that you would invite potential Life Givers to sit at your table. Our event is focused on sharing our mission and vision, but more importantly, we want you to hear the stories of the women and babies we serve in the community, and the work we do for our Lord and Savior Jesus Christ. Another way to support is by becoming a monthly Life Giver. Scan the QR on the last page to become a sponsor.
